ADDITIONAL INFORMATION/COMMENTS

- Application is subject to Arcadia Towers Site Engineering and Real Estate approval.
- Ground lessor consent may be required as a condition to the execution of your lease.
- Modifications to the tower site may be subject to local zoning approval.
- Attach manufacturer's equipment specifications for antennas, RRUs, mounts, cabinets, shelters, etc.
- All Equipment Lines are required to be installed inside the tower when space is available. Arcadia must approve any installation of lines on the outside of towers prior to installation commencement.
- When requesting ground space, do not include a buffer around your desired physical footprint. Arcadia Towers, at its sole discretion, will provide a non-exclusive buffer between your installation and other proposed and/or existing tenants to allow for access and maintenance
- Tenant covenants that Tenant's Equipment and the construction, installation, operation, maintenance, repair, removal or replacement thereof shall not damage the Tower or improvements or interfere with the use of the Tower by Landlord or all other existing users on the Tower. Tenant shall be solely responsible all costs associated with any required repairs, removal, or replacements resulting from a violation of the aforementioned.
